

Discussion facilitation checklist

Meixun Sinky Zheng, PhD

1. Do you provide clear instructions to students?
2. Do you explicitly communicate your expectations?
3. Do you ask stimulating questions?
4. Do you give “wait time”?
5. Do you ask follow-up questions?
6. Do you encourage students to add to each other’s comments?
7. Do you encourage students to discuss with peers?
8. Do you encourage the participation of all students?
9. Do you/students summarize the discussion?
10. Do you encourage students to reflect on the discussion?
