

Active learning checklist

Meixun Sinky Zheng, PhD

1. Do you avoid simply reading off the slides?
2. Do you avoid standing at/behind the podium?
3. Do you walk around in the classroom?
4. Do you engage students at the back?
5. Do you chunk content into smaller segments?
6. Do you ask students open-ended questions to promote their thinking?
7. Do you encourage students to ask questions?
8. Do you encourage students to interact with peers?
9. Do you engage students in learning activities besides lecturing?
10. Do you use technology effectively?
